

MAXIMAL BARRIER. MAXIMUM PROTECTION.

Your pack should contain all of the components you require
for your procedure to be right first time, everytime.

This is a selection of the components available, Kimal VAS Packs include
a full range of components for you to build your own pack

*ChloroPrep™ available to include in selected markets. Please check availability with your Kimal Representative

DELIVER ON TIME

Kimal recognises the importance of delivering on time, every time, in full. Through our 60+ years' experience we have developed core skills which have enabled us to work with our customers, and actively manage the challenges of fluctuating demand through forecasted monthly usage.

SPECIALIST CLINICAL KNOWLEDGE

Our team of Clinical Specialists and a customer focussed sales team are dedicated to understanding the needs of clinicians and will support you in improving efficiencies in your department.

Our commitment to your patient

KIMAL COMMITMENT

NO UNEXPECTED SURPRISES

We will work with you to deliver a customised procedure pack to your requirements. You will receive what you ask for and if anything changes, we will notify you first.

AWARD-WINNING CUSTOMER SERVICE

The customer is our number one priority and we are committed to consistently delivering high standards of customer care globally. It is this philosophy which has led to us to achieve the European Supply Chain Excellence Award for Customer Service in conjunction with an NHS Trust.

INNOVATIVE, HIGH QUALITY PRODUCTS TO MEET YOUR NEEDS

We work with our manufacturers to deliver quality products which will withstand the demands of the procedure.
